Officers and Directors Notes

1. Board members are asked to review their responsibilities as stated in the bylaws and blue book.
2. Add one more member to the BOD to replace Mr. Young who resigned to fulfill his duties as District President-Elect.
3. Consider action required for members (that are) delinquent in monthly dues.
4. Storage locker tabled until we've had a chance to clean and determine a suitable size to fit our present needs.
5. Consider changes to number of meeting days per month.
6. Review calendar events.
7. Solidify Speaker's dates.

Members are highly encourage to contact any officer or Director concerning any item above or issues that you would like the BOD to consider.

America's Service Club

Dr Ann Farris, Killeen Assistant Manager for Internal Service accepts a token of appreciation from President Holly

Guest Speaker July 29, 2013

Dr. Farris presented a brief overview of Internal Services department. Specifically human resources, IT, finance, and support services to include changes in leadership positions with her department. Dr Farris is an extremely motivated leader and educator serving a diverse Central Texas community that is both civilian and military in its nature. She spoke passionate about investing in causes that make a difference in this community, align closely with her personal mission statement, and utilize her communication skills in leading, planning strategically, building relationships, developing people, and solving problems.

August Speakers

Aug 5— Mr. Mathew Van Valkenburgh, Director of Aviation

Aug 12— Ms Sandra Smith, CAP Center Counselor

Aug 26— Ms Leslie Hinkle, Director of Community Development

Announcements

1. District quarterly meeting will be held in Hillsboro, TX at Lone Star Restaurant beginning at 11:00 AM, 10 August 2013
2. RFAC monthly meeting will be held at Gatesville, TX in the High School beginning at 7:00 PM on 8 August 2013.
3. BOD meeting will held on at 1:00 PM at Yank Sing Restaurant Aug 19.

Guest Speaker July 22, 2013

Mr. Peter DiLILLO, Killeen Recycling Manager, presented the present city's recycling program and changes to future services. Mr DiLILLO discussed personnel, resource recovery facilities, recyclable materials, and things to come in the future. Specifically, the proposed "Mandatory" residential resource recovery program and home chemical collections. Planning is ongoing for commercial fiber recovery and organics separation and recovery program.
