## A YEAR OF SERVICE

**President Holly (2013/14)**

As we approach the end of our year of service as your President, I want to thank each Exchangite for your support and I challenge you to continue the dedication to your in-coming President and Board of Directors. What a privilege and honor it has been. Many thanks to the BOD and committee chair persons for their dedication and professionalism, they made it happen. Especially, Club Secretary, Ms Ursula Rushing whom I communicated with regular.

All members contributed to the success of our Club being recognized by District as the "Most Outstanding Club" in the Texas District during administrative year 2013/14. Your support of our National Program of Service was the key to this accomplishment.

As I look back on our year of service with gratitude and great satisfaction that we made a difference. As the immediate Past president, I will continue to work for the success of our club. A lot has been accomplished, however there is a lot more to do. May God Bless each of you as you continue your work for Exchange.
