Editor Maureen Jean Jouett

A Note from our President

Fellow Exchangeites,
July 1st brought to me and my family the incredible honor of being your President for the 2014-2015 term. Di (our new "First Lady") and I are committed to following in the footsteps of those outstanding leaders who have come before and set the tone of Excellence for our club.

I am truly humbled to be the leader of the Number One club in our District. A top priority for the upcoming year is to maintain and improve our areas of service that enable us to bless our community! I will continue to promote the FACT that our club continues to accomplish as much or more than clubs twice our size.

As an area of emphasis this year, I would like to see us adjust our efforts in new member orientation coupled with more chances for current members to have an active involvement in our various service opportunities. By varying those activities, ALL members can contribute in a meaningful and FUN manner!

In closing, let me again thank you for this honor and pledge my best efforts to help our club continue to reach new heights of service to our community and especially for those who are in the greatest need.

Remember our catchphrase for this year: "Exchange- the Killeen area's BEST way to give back to your community!". And, as always: CHILL OUT, HAVE FUN, & UNITY FOR SERVICE!

Together in Exchange, Charlie

And the LORD their God shall save them in that day as the flock of his people: for they shall be as the stones of a crown, lifted up as an ensign upon his land.
