## GET OUT THE VOTE PROGRAM Political Forum Killeen City Council Elections

Americanism Chair Mark Hyde introduced the candidates who were in attendance. Only opposed candidates were allowed to speak to the club. Candidates in attendance were Shirley Fleming and Brockley Moore. Mr. Moore is unopposed so he was there only to support the activity.

Ms. Fleming spoke to the club members and discussed what her goals and objectives are for the City of Killeen, District One. She addressed her concerns and her reasons for seeking public office. She then spent several minutes answering the questions from the club members. Ms. Fleming's opponent did not attend. The two District Four candidates, Councilmember Terry Clark and Jim Kilpatrick were also not in attendance.

## GET OUT THE VOTE PROGRAM

### Purpose:

The Fifteenth, Nineteenth, and Twenty-sixth Amendments to the United States Constitution established the right to vote for all American citizens of minimum age 18. The National Exchange Club's Get Out the Vote Program gives our clubs the opportunities to not only remind their community members of their right to vote, but also their responsibility to vote. The Get Out the Vote Program is structured to encourage all citizens to exercise their right and responsibility by registering to vote and by voting for the candidates of their choice on election days or through absentee ballots. The program is not for promoting individual candidates for office. Get Out the Vote is most often coordinated by an Exchange Club's Americanism or Community Service Committee. Exchange Education from the National Exchange Club Handbook.
